RE: EUROPEAN STORIES 27x30' - 2024 - **PRESALE**

Discover Europe in all its diversity of viewpoints

PRODUCERS : ARTE FRANCE, TOGETHER MEDIA

RE: I BREGET MY VOTE 30' - 2024 - **NEW**

Since 2016, Boston, a small town in Lincolnshire, has been referred to as "Brexitland". In this town shaken by the arrival of farm workers from Eastern Europe in the 2000s, 75% voted to leave the European Union. Seven years on, residents are struggling to come to terms with the consequences of their...

RE: A SMART VILLAGE IN CORSICA 30' - 2024 - **NEW**

In central Corsica, far from the coast with its beaches full of tourists, lies the village of Cozzano. Local people here are using the latest technology to revitalize the local area and prepare for the future.

DIRECTOR : ILIONÉ SCHULTZ

RE: LUXURY ECOTOURISM, HEAVEN OR HELL? 30' - 2024 - **NEW**

In Portugal, luxury ecotourism is emerging on the untouched Alentejo coast. But behind the promise of tourism in harmony with the environment lie serious concerns: soil drought, concreting of protected areas... This new dream destination for wealthy tourists is upsetting the region's social, economi...

RE: RUSSIANS IN SERBIA, VERY DISCREET EXILES 30' - 2024 - **NEW**

Russians can still travel visa-free to Serbia, one of Russia's last allies on the European continent. Since the start of the war in Ukraine, thousands of political opponents have taken refuge in Serbia, landing paradoxically in a country where Vladimir Putin enjoys much support.

DIRECTOR : NICOLAS BELLEMON

RE: SPANISH HEALTHCARE IN CRISIS 30' - 2024 - **NEW**

In Spain, healthcare professionals are sick of their healthcare system. Overworked and underpaid, 92% of healthcare workers in Madrid say they are suffering from burnout. The Spanish system, once considered the best in Europe so renowned, is in crisis.

DIRECTOR : MARINE COURTADE

RE: LIVING WITH THE FOREST 30' - 2024 - **NEW**

The French forests are expanding every year, yet they have never been so vulnerable. Climate change, economic pressure, monoculture... To protect forests from the dangers that threaten them, citizens are buying them up, hectare by hectare. They are trying to live with the forest, rather than live of...

RE: NEW AGE ANIMAL WELFARE 30' - 2024 - **NEW**

Will there soon be degrees in animal welfare? France has a livestock population of 20 million farm animals and almost one in two households owns an animal. More and more attention is being paid to animal health in the country. But what is so special about alternative medicine for animals? And why is...

RE: JURA MOUNTAINS: MEN VS. WOLVES 30 ' - 2024 - NEW

In the space of just two years, the Jura Mountains forest has become hunting ground for wolves. It is here, among the fir trees of the Jura Mountains, straddling the border between France and Switzerland, that several packs are on the prowl, now attacking herds of cattle. This has aroused the anger ...

DIRECTOR : JAMES DE CAUPENNE

RE: ALBANIA FACES ITS DARK PAST 30 ' - 2024 - NEW

For nearly 50 years Albania lived under perhaps Europe's harshest communist dictatorship with omnipresent surveillance, imprisonments, and executions. Today the country has chosen to open up the archives of the feared state police, the Sigurmi. Are Albanians ready to face up to a difficult past?

RE: SQUATTING IN BARCELONA - THE HOUSING CRISIS IN CATALONIA 30 ' - 2024 - NEW

In Barcelona rents are high and there are an estimated 20,000 squats where citizens with few other options have found refuge. Landlords sometimes use the services of private eviction companies that operate on the fringes of the law to get rid of squatters. Focus on the housing crisis in Catalonia.

RE: THEY MAKE A LIVING OUT OF THE DEAD 30 ' - 2024 - NEW

The European funeral industry is growing steadily, and COVID-19 has given rise to new callings. In France, the new "undertakers" speak freely about their job, questioning our attitude towards death, and following the evolution of funeral rites that are becoming more personalized, more respectful of ...

RE: SWEDEN'S GREEN INDUSTRIAL REVOLUTION 30' - 2024 - NEW

Swedish Norrland is the scene of a green industrial transition, with heavy industry aiming to achieve zero carbon emissions. The small town of Skelleftea is at the forefront of this revolution and is doing everything in its power to hire staff for the newly-established NorthVolt electric battery fac...

RE: ENGLAND'S SPARKLING FUTURE 30' - 2024 - NEW

The British have a love for sparkling wine. Over the past fifty years, the number of vineyards has increased by eight hundred times. The new English winemakers have a specific goal in mind: to rival French champagne. They are benefiting from climate change, which is transforming the southern regions...

RE: THE CAMARGUE FACES RISING WATERS 30' - 2024 - NEW

The Camargue is the French region most affected by climate change. Sea levels are rising very rapidly. Scientists estimate that it will exceed 50 centimeters by 2100. The problem is that 70% of the region's land is less than one meter above sea level. How can we adapt to these changes?

DIRECTOR : PIERRE LASCAR

RE: IS MY ORDER READY YET? - DELIVERY DRIVERS FIGHT BACK IN GRENOBLE 30 ' - 2024 - NEW

The pushback from the gig economy is here. With no fixed working hours, no paid vacation days and no health insurance, delivery drivers face intense job insecurity throughout Europe. We take a look at how people working in this precarious industry are banding together to improve their working conditions...

RE: RETURN TO CALABRIA - STARTING A NEW LIFE IN SOUTHERN ITALY 30 ' - 2024 - NEW

For the first time in 2020, around 100,000 Italians left big cities in the north of the country for modest towns in the south, in search of a new life. In Calabria, where the mafia and unemployment reign supreme, we follow Angelo, Rocco, Francesco and Nunzia - who have all decided to reinvent themselves...

RE: HIGH-TECH FOOD IN THE NETHERLANDS 30 ' - 2024 - NEW

Vertical indoor farming, algorithms that create precise climate conditions and LED lighting to stimulate growth: The Netherlands is preparing to feed the world's growing population with high-tech agriculture. The small country is already the second largest exporter of agricultural produce in the world...

DIRECTOR : AGNÈS NABAT

RE: FEAR OF SCHOOL - HELPING ADOLESCENT PHOBIAS 30 ' - 2024 - NEW

Between 2% and 5% of schoolchildren in France are said to suffer from anxiety about going to school. To tackle this phenomenon, a high school in Brittany has set up a special program.

RE: RESTOS DU COEUR, DELIVERING FOOD AND COMFORT 30 ' - 2024 - NEW

The Restos du Coeur set up delivery trucks to address the needs of a new audience. In the hinterland of Nice, as in many other parts of the French countryside, hundreds of villagers are caught between inflation, the energy crisis and the price of gasoline... Every week, they wait for food aid from t...

RE: SEA, WAR AND SUN 30 ' - 2024 - NEW

Nicknamed "Little Moscow", Pomorie is a seaside resort in Bulgaria that attracts hordes of Russian tourists each summer. But the war in Ukraine has turned daily life upside down here. Pro-regime Russians and Ukrainian refugees who have fled their homes in search of safety are now living side by side...

RE: PREACHING FOR PEACE - ITALY'S ANTI-MAFIA PRIESTS 30 ' - 2024 - NEW

Pope Francis declared war on the Italian Mafia since the start of his pontificate. And in a country where 85% of the population is Catholic, the Church has a heavy moral responsibility to carry. But thankfully there are priests helping in the field. Meet the clergymen who are leading the dangerous f...

RE: SLOVENIAN BEE CULTURE 30 ' - 2024 - NEW

With almost 12,000 beekeepers, Slovenia is the apiculture capital of Europe. Honey production, queen rearing, alternative medicine and prisoner rehabilitation, beekeeping has a special place in the heart of Slovenians and protecting bees is a national campaign.

DIRECTOR : AGNÈS NABAT

RE: KEEPING STROMBOLI ALIVE 30 ' - 2024 - NEW

On the island of Stromboli, the volcano sets the pace for the 300 or so people who live on its slopes all year round. Despite the harsh living conditions, and the dangers of one of the world's most active volcanoes, the islanders are very attached to their island, and do everything in their power to...

RE: WE'RE HIRING! - ROMANIA TURNS TO ASIAN WORKERS TO TACKLE MANPOWER SHORTAGE 30 ' - 2024 - NEW

Thousands of work visas are being issued for foreign workers. Over the past thirty years, Romania has seen over 4 million of its citizens leave the country as they wanted to find work abroad. Faced with manpower shortage, the country is therefore recruiting South Asian workers: Filipinos, Sri Lankan...
