This magazine deciphers trends in fashion, architecture, gastronomy and design, revealing a world of creativity and wellbeing. Innovation, the unusual, pleasure, and sustainable development are not just the stuff of creatives, they concern everyone!

CHIC ! meets those seeking alternatives in Europe, with their surprising initiatives, offbeat life-styles and unusual creations, and in doing so reads future societal and cultural trends.

Ce magazine décrypte les tendances de la mode, de l'architecture, de la gastronomie, du design, et présente un univers de créativité et de bien-être. L'innovation, l'insolite, le plaisir, le développement durable ne sont pas que l'affaire de créatifs ; c'est l'histoire de tous !

CHIC ! va à la rencontre de ceux qui cherchent à vivre autrement en Europe : initiatives surprenantes, modes de vie décalés, créations insolites.
